

**WEBELOS → TO → SCOUT
GRADUATION PLAN**

THE WEBELOS LEADER'S ROLE

As the boys' Webelos leader you have played an important role in helping them grow and complete the Cub Scout trail. Your hard efforts and time will continue to help these young men grow if they join a Boy Scout troop this spring. Your Webelos den looks to you for leadership and will make this important transition if you share its importance with them.

Target Date	Task
Today	<input type="checkbox"/> Fill out the Webelos to Scout transition tracking form and return it to your district in the attached envelope.
September	<input type="checkbox"/> Make arrangements to meet with the local Scoutmasters and arrange a time for your den to visit their troop meeting in the month of January. <input type="checkbox"/> Encourage your Scouts to begin learning the Scout Oath, Scout Law, Scout motto and slogan and the Boy Scout sign and hand shake
October	<input type="checkbox"/> Take your Webelos den to visit local area troops. Every troop is different so we encourage each Webelos den to visit more than one Scout troop and let the boys pick the troop that best meets their needs. <input type="checkbox"/> Work with each Scout to determine what requirements still need to be completed to assist them in completing their Arrow of Light.
December	<input type="checkbox"/> Make arrangements with the Cubmaster and Scoutmaster to complete the Graduation Ceremony at the February pack meeting. <input type="checkbox"/> Have each Scout complete a Boy Scout application to provide to the Scoutmaster to make the transition complete (This is a requirement of the Arrow of Light rank).
February	<input type="checkbox"/> Participate in the crossover ceremony with your Webelos as they go into Boy Scouts at the February pack meeting. (Be sure to make this a special ceremony so that other Cub Scouts will want to become Webelos in the future).
March	<input type="checkbox"/> Have fun with your son in Boy Scouts by registering as an assistant Scoutmaster in his troop. <i>"The Scouting Trail Continues"</i> . Assist the Webelos leader(s) in follow up with any of your Webelos as to why they did not yet join a troop.
