Pom-Pom the Tiger Cat

designed by Jeanne Bashore, Billerica, MA

Level: Advanced

For help with the ears, see the [Illustrated Penguin Directions](#)

Materials:

- 4 yards white plastic lacing
- 1 lanyard hook or keyring
- 94 white pony beads
- 93 grey pony beads
- 5 mauve pony beads
- 2 translucent pony beads
- 1 red pony bead

*Note: It is important to use a solid color plastic lacing for this design because 4 passes through each bead is necessary on some rows. Clear plastic lacing or cord is just not firm enough.
