Ferguson the Border Collie

designed by Jeanne Bashore, Billerica, MA

Level: Medium

Materials:

- 4 yards clear plastic lacing
- 1 lanyard hook or keyring
- 74 black pony beads
- 2 brown pony beads
- 61 white pony beads
- 1 red pony bead
- 15 ivory pony beads

Note: this pattern uses a lot of lacing due to having to go through some rows of beads 4 times.

This is the only dog pattern that hasn't been and won't be updated with a stringpath drawing...I contemplated it for a long time before deciding that the hours I would spend trying to figure out where the string path was going were not going to be worth it. It's just too complicated unless you're really determined to make one of these and I couldn't get into it. If you make one of these and you can make a stringpath drawing for me, please send it my way. Thanks!
