Special Note:
Follow the string
path carefully at
the top to make the point stay off-
center. Attach the arms to row 11 by
stringing through them before
continuing to row 11. To make the
legs, string 15 beads on one string
and then work back up through
them. Repeat for second leg. Take
each string through two beads of
row 11 as shown and tie a knot on
each string.
