Astroblaster from "Power Rangers"

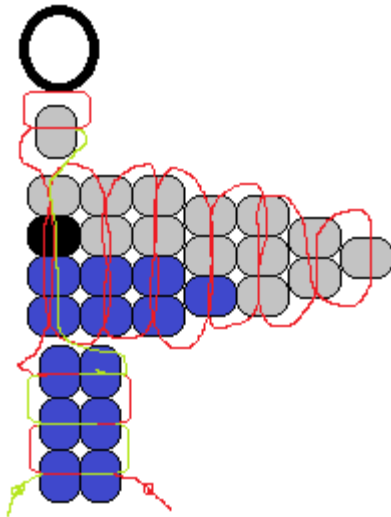

designed by Jeanne Bashore of Billerica, MA

Level: Medium

Materials:

- 1/2 yard plastic lacing
- 15 blue pony beads
- 9 silver or silver glitter pony beads
- 3 clear pony beads
- 1 black pony bead

Note: The photo is so small that I was couldn't tell where the 3 clear beads would go. But I now think they are the 3 beads in front of the blaster.
