Yoda from "Star Wars: The Phantom Menace"

designed by Concetta Franco, Minnesota (age 17)

Level: Beginner

Materials:

- 3 yards cord of choice
- 1 lanyard hook or keyring
- 90 green, seafoam green or grey-green pony beads
- 56 khaki or light brown pony beads
- 15 grey pony beads
- 2 olive green or forest green pony beads

Note: When I made the sample for the photo, I modified the location of the ears so that it

looked more like the ears were coming out of the middle of his head as Yoda's ears do. I also tapered his head by reducing the number of beads in row 6 by 1.
