Luna the Cat, from "Sailor Moon"

designed by Amber Nelson

Level: Advanced

Materials:

- 3 yards cord of choice
- 1 keyring or lanyard hook
- 1 yellow sharpie marker or yellow acrylic paint (for crescent moon)
- 82 black pony beads
- 2 blue pony beads
- 1 pink pony bead

Note: To make Artemus (the other cat) use the same pattern but make it white.

Animefan200081 says that you can also make Diana, by using grey beads. Diana is the daughter of Luna and Artemus and is not seen until Rini, Sailor Mini Moon, comes back to train with the sailor scouts after they help her save the future.
