Dorothy, from "The Wizard of Oz"

designed by Margo Mead

Level: Beginner-Medium

Note: To make this whole set, you need the Tin Man and Witch patterns that were formerly available from www.makingfriends.com (for now you'll have to try to figure it out from the photo below), and the Miniature Scottish Terrier pattern from the Animals category of this site. All patterns were made using mini pony beads and wire. You could also use clear plastic lacing with the mini pony beads.

Materials:

- 1 1/2 yards wire
- 29 ivory pony beads
- 23 blue pony beads
- 19 white pony beads
- 17 brown pony beads
- 4 red pony beads (or red glitter)
- 2 black pony beads

Basket:

- 33 brown or tan pony beads

Special Instructions:

After completing Dorothy, do the basket, then wire the basket to Dorothy's hand with the end of the wire from the basket.

Then, make the Miniature Scottish Terrier (see link above), and wire the dog into the basket.
