## 3D Christmas Ornament

designed by Margo Mead

based on a Turtle design in Suzanne McNeill Design Originals book, "Beadin' Bonanza Tropics"

Level: Advanced

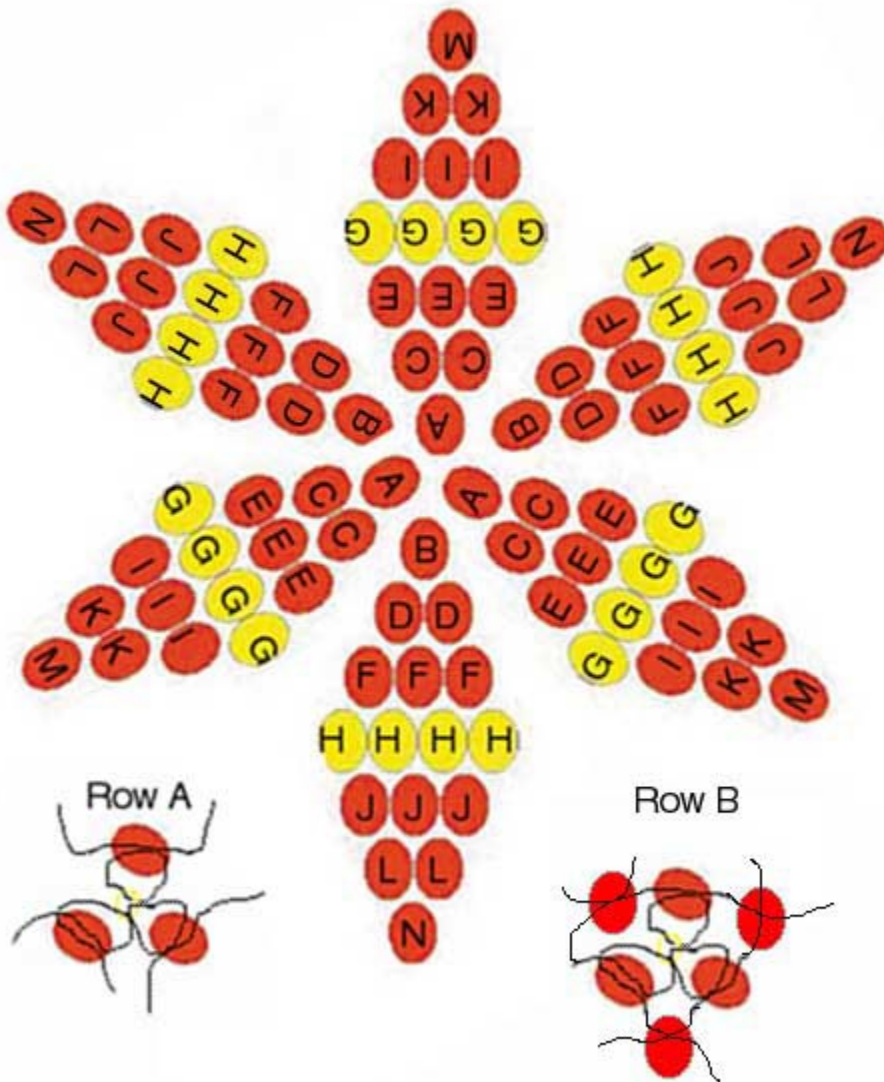

### Materials:

- 4 yards cord or plastic lacing, cut into 3--1 1/3 yard—pieces
- 72 red pony beads
- 24 gold glitter pony beads

Note: You can do this ball in any colors of your choice.

### Instructions:

Begin--Attach 3 strands of cord to a hook or keyring.  
Row A: Add 1 bead at a time to 3 pair of strands.  
Row B: Continue, add 1 bead at a time to 3 pair of strands (see Row B illustration).

Row C: Continue, add 2 beads at a time.

Row D: Continue, add 2 beads at a time.

Row E: Continue, add 3 beads at a time.

Row F: Continue, add 3 beads at at a time.

Row G: Continue, add 4 beads at at a time.

Row H: Continue, add 4 beads at a time.

Row I: Continue, add 3 beads at a time.

Row J: Continue, add 3 beads at a time.

Row K: Continue, add 2 beads at a time.

Row L: Continue, add 2 beads at a time.

Row M: Continue, add 1 bead at a time.

Row N: Continue, add 1 bead at a time.

At end of pattern, gather all 6 strands of cord and tie them in a big overhand knot. Leave about 2" on ends and cut.

I used gold metallic plastic canvas cord on my ball, and it is very pretty with all the gold. It almost looks like a gold tassel on the end.
