## Skeleton 2

designed by Sherri from Dunellen

Level: Beginner

### Materials:

- 1 lanyard hook
- 2 1/2 yards of cord of choice
- 69 white, glow-in-the-dark, or other body color beads
- 8 black beads for the ribs

This pattern is traditionally done with white or glow-in-the-dark as the body color. But the skeleton's body also looks nice in a neon color.
